Were any issues on the agenda relevant to LWV positions or programs? **Approved separation of the Great Schools Partnership from the School Board in order to permit raising private funds for the schools. The Partnership will still coordinate with the School Board. Also agreed to provide funds for case managers to work in the library and deal with the homeless in order to discourage the homeless from remaining there and identify those who need help. Also approved to support activities of the metropolitan Drug Commission with a stipulated fund of \$20,000 instead of depending on fines assessed against Knox County Beer Permit owners.**

Do you recommend League action on any of these issues?

Be aware of the program regarding the homeless in the library so that they are not forced to leave without alternatives.
