1. Hillside/Ridgetop protection issues:

- a joint meeting of city and county will be held Sept 29 to vote, and
discussion of Copper Ridge mudslide from failed retention-pond on Smithbuilt development at the top of the ridge.

2. Discussion of Knox County School properties that are no longer needed. They are not maintained and deteriorate to the point they are no longer salvageable assets for the County. Smith asked that a process be considered to return the properties to the county for disposal asap.

Were any issues on the agenda relevant to LWV positions or program?
