From I-40 head south on Hwy 129 / Alcoa Hwy about 6 miles.

After you pass John Sevier Hwy on the left, get in the left lane and drive about another 1/2 mile.

After you round a curve and see a bridge in front of you, get in the left turn lane.

Turn left onto Topside Rd. (There are many Topside roads - You probably don't know this one).

Drive 9/10s of a mile and look for Woodview on the left, and Lake Bluff Ct on the right.

Turn right onto Lake Bluff Ct and go about 2/10s mile to end of cul-de-sac.

Our driveway has two posts with pineapples on top. Keep coming down the hill until you see our house.

Please do not park on the grass.
